**Accreditation Statement:** The McLaren Bay Region is accredited by the Michigan State Medical Society to provide continuing medical education for physicians.

**Credit Designation Statement(s):** McLaren Bay Region designates this educational activity for a maximum of 4.00 AMA PRA Category I Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

The 2017 Opiate Conference: Healthcare: Bridges to Recovery has been approved for 3.00 hours of AOA Category 2-B Credit.

#### Pharmacy Continuing Education Requirements

Michigan Pharmacists Association is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education.

This activity is structured to meet knowledge-based educational needs and acquires factual knowledge. Information in knowledge-type activities is based on evidence as accepted in the literature by the health care professions. Pharmacy continuing education (PCE) credit will be earned based on participation in this activity. Attendance and participation are required before obtaining PCE credit. Any individual who is more than 10 minutes late to an activity or leaves an activity early will not be granted PCE credit. This procedure will be strictly enforced, so please plan accordingly.

Participants must complete an online activity evaluation and posttest with a passing score of 70 percent or greater no later than Oct. 27, 2017. Posttests will not be graded and credit will not be processed until the online evaluation and posttest has officially closed for response. Please allow MPA two weeks to grade posttests and process and upload credit to CPE Monitor after the posttest has closed. NOTE: ACPE guidelines prohibit MPA from issuing credit more than 60 days after the activity for any reason; therefore, to avoid denial of credit, it is imperative that pharmacists and pharmacy technicians complete the online evaluation and posttest by the deadline indicated to allow sufficient time for processing. If all requirements are met, participants will receive pharmacy continuing education (PCE) credit through CPE Monitor, a national, collaborative effort by ACPE and the National Association of Boards of Pharmacy (NABP) to provide an electronic system for pharmacists and pharmacy technicians to track their completed PCE credits. MPA, as an ACPE-accredited provider, is required to report pharmacist and pharmacy technician PCE credit using this tracking system. Pharmacist and pharmacy technician participants must provide their NABP e-Profile identification number and date of birth (in MMDD format) when they complete activity evaluations. It will be the responsibility of the participant to provide the correct information. If this information is not correctly provided, NABP and ACPE prohibit MPA from issuing CPE credit. Online access to their inventory of completed credits will allow pharmacists and pharmacy technicians to easily monitor their compliance with CPE requirements and print statements of credit. Therefore, MPA will not provide printed statements of credit to pharmacists and pharmacy technicians. Partial credit will not be awarded. If you have yet to sign up for CPE Monitor, go to MyCPEMonitor.net.

ACPE Universal Activity Number 0112-9999-17-436-L01-P and 0112-9999-17-436-L01-T; 4.0 contact hours; Knowledge-based

Initial Release Date: 10/13/17; Expiration Date: 10/13/18

**Social Work Credit:** Bay Arenac Behavioral Health is an approved provider with Michigan Social Work Continuing Education Collaborative, Approved Provider Number: MICEC-0024. Social Workers participating in this course will receive 4.0 continuing education clock hours.

**MCBAP:** Substance Abuse professionals participating in this training will receive 4.0 contact hours.

**EMS Credit:** PENDING

# 2017 Opiate Conference

**HEALTHCARE: BRIDGES TO RECOVERY**

Friday, October 13, 2017

11am - 5pm  
DoubleTree Hotel &  
Conference Center  
Bay City - Riverfront  
One Wenonah Park Place  
Downtown Bay City
